### **EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Andrew Calderon on January 15, 2010.

The application has been amended as follows:

- In Claim 1, Line 3; "screw which is formed" has been amended to read --screw thread which is formed--.
- In Claim 1, Lines 4-5; "a reverse moving means having a reverse screw connected to the cap and ascending in a direction opposite to a descending direction of the cap" have been amended to read --a reverse moving means having a reverse screw thread connected to the cap and moving in a direction opposite to the cap--.
- In Claim 2, Line 2; "having the reverse screw positioned" has been amended to read --having the reverse screw thread positioned--.
- In Claim 2, Line 3, "opposite to the screw of the cap" has been amended to read --opposite to the screw thread of the cap--.

These changes were made to clarify the screw thread and not the screw. Moving in opposite direction as that of the cap as the screw moves with the cap.
